SUBJECT: T&T REJECTS U.S. POSITION ON EMERGENCY SPECIAL SESSION  
RESOLUTION

REF: STATE 188244

[¶1.](#) Polchief delivered Reftel talking points and accompanying resolution, on November 17, to MFA Multilateral Division Director Susan Gordon.

[¶2.](#) Gordon told Polchief that T&T would neither oppose this resolution nor abstain on it. She reminded Polchief that 10 out of 15 members of the Security Council had voted in favor of a similar resolution, and said it was her understanding that France and Greece, among other countries, are supportive of the resolution.
